## NEWSLETTER & E-MAIL INFORMATION

The monthly newsletter can be found on line at [www.pasadenacoinclub.org](http://www.pasadenacoinclub.org). The newsletter will be mailed the months of January, March, May, July, September and November only if you do not have e-mail access. We hope to begin e-mailing as many of the newsletters as we can. Please be sure that we have your current e-mail address and if you do not have e-mail access, that we have your correct mailing address.

## EDUCATIONAL PRESENTATIONS

The Pasadena Coin Club encourages members and guests to give numismatic, educational presentations. If you would like to give a presentation or know someone who might like to give a presentation, please contact one of the coin club officers. Notice we will have plenty of empty slots.

## RAFFLE TICKETS, AUCTIONS AND WISH LIST

Just a friendly reminder that when you sign in at meeting time, you can purchase raffle tickets for door prizes. The tickets are really inexpensive and there are some really good items from which to choose. Red tickets are 2 for \$1 and Yellow tickets are 3 for \$1. Remember the proceeds from ticket sales goes toward buying more door prizes. We need more ticket sales to insure that this part of the program does not disappear.

After each meeting, club members place coins up for auction. We encourage our guests to stay for the auction. You do not need to be a member to bid on auction lots.

### Rules:

- There is a 10-lot maximum (per member).
- You must be a member of the Pasadena coin club in order to put lots up for sale.
- There is no charge to members for entering lots.
- A \$1.00 minimum bid shall prevail.
- Lots shall be affixed to a 3"X 5" card with the following information:  
Description and grade of the lot; Lot number; Minimum bid & Owners Name.
- Lots shall be listed on the proper form for such listing. (The treasurer or secretary will provide a copy for you.)

Is there an item you would like to find for your collection but have not found it yet or seen it in a club auction? Here is your chance to find out if another club member could help. The club is starting a wish list. This list will be published in the club newsletter and will be on line for everyone to check out. We hope this list will help make our auctions better. If you have need for the wish list, contact Joanne Carter.

**WISH LIST ITEM – ANY DENOMINATION ORIGINAL BANK ROLLS 2009 COINS - P OR D**

## **PASADENA COIN CLUB COINS FOR A'S PROGRAM**

The club sponsors a program called "Pasadena Coin Club for A's." The intent is to reward the junior members with coins for each "A" they get on their report cards. This encourages and fosters further numismatic interest among the junior members. Donations to this program are always appreciated

# 2010 Lincoln One Cent Coin

## The Lincoln One Cent Coin—2010 and Beyond

2010 Lincoln One-Cent Reverse  
Line Art

The current Lincoln cent's reverse (tails side) design is emblematic of President Abraham Lincoln's preservation of the United States as a single and united country, as required by Title III of [Public Law 109-145](#), the Presidential \$1 Coin Act of 2005. While the obverse (heads) continues to bear the familiar Victor David Brenner likeness of President Lincoln that has appeared on the coin since 1909, the reverse features a union shield with a scroll draped across and the inscription *ONE CENT*.

The 13 vertical stripes of the shield represent the states joined in one compact union to support the federal government, represented by the horizontal bar above. The horizontal bar features the inscription *E PLURIBUS UNUM*—"out of many, one"—while the inscription *UNITED STATES OF AMERICA* is depicted along the upper rim of the coin. The union shield, which dates back to the 1780s, was used widely during the Civil War. The shield is also featured on frescoes by Constantino Brumidi throughout the halls of the U.S. Capitol Building completed in the mid-19th century.

The Secretary of the Treasury approved the reverse design for the coin after consultation with the U.S. Commission of Fine Arts and review by the Citizen's Coinage Advisory Committee.

These one-cent coins have a metallic content of 2.5 percent copper, balance zinc. They are issued for circulation in quantities sufficient to meet the demands of commerce. Numismatic (proof and uncirculated) versions are included in the United States Mint's annual product offerings.
