### **PASADENA COIN CLUB COINS FOR A'S PROGRAM**

This encourages and fosters further numismatic interest amongst the junior member. Donations to this program are always appreciated.

Just a friendly reminder that when you sign in at meeting time, you can purchase raffle tickets for door prizes. ## STATE QUARTER PROGRAM MONTANA

### Montana

The first commemorative quarter-dollar coin released in Quarters® Program. Montana, nicknamed "Big Sky Country," was admitted into the Union on November 8, 1889, becoming our Nation's 41st state. The reverse of Montana's quarter features a bison skull depicted above the diverse Montana landscape with the inscription "Big Sky Country." The coin also bears the inscriptions "Montana" and "1889."

The bison skull is a powerful symbol, sacred to many of Montana's American Indian tribes. This symbol can be seen across the State on schools, businesses and license plates, and reflects the rich native tradition of Montana, which was once home to large tribes such as the Crow and the Northern Cheyenne. After a visit from Lewis and Clark, Montana became a destination first for fur trappers and later for gold prospectors following the discovery of gold in the 1860s. Cattle ranchers also made their way west to Montana. This rapid growth in population led to boomtowns. The nickname "Big Sky Country" reminds residents of Montana's open lands and pioneering way.

The recommended design was chosen based on feedback from the Montana Quarter Design Selection Commission, which was created by Governor Brian Schweitzer, and a subsequent public vote. United States Mint sculptor-engravers and artists participating in the United States Mint's Artistic Infusion Program rendered the "Bison Skull" design and three others submitted to Governor Schweitzer. The designs were based on narratives submitted by Montana residents.

The Department of the Treasury approved the design on June 22, 2006. The other three designs considered were "Bull Elk," featuring a bull elk posed majestically on a rugged rock formation; "State Outline," showing mountains tapering to the eastern Montana plains; and "Big Sky with River," prominently featuring Montana's big sky with a river emerging from a mountain range.
