NEWSLETTER & E-MAIL INFORMATION

The monthly newsletter can be found on line at www.pasadenacoinclub.org. The newsletter will be mailed the months of January, March, May, July, September and November only if you do not have e-mail access. We hope to begin e-mailing as many of the newsletters as we can. Please ensure that we have your current e-mail address and if you do not have e-mail access, that we have your correct mailing address.

EDUCATIONAL PRESENTATIONS

The Pasadena Coin Club encourages members and guests to give numismatic, educational presentations. If you would like to give a presentation or know someone who might like to give a presentation, please contact one of the coin club officers. Notice we will have plenty of empty slots.

RAFFLE TICKETS, AUCTIONS AND WISH LIST

Just a friendly reminder that when you sign in at meeting time, you can purchase raffle tickets for door prizes. The tickets are really inexpensive and there are some really good items from which to choose. Red tickets are 2 for \$1 and Yellow tickets are 3 for \$1. Remember the proceeds from ticket sales goes toward buying more door prizes. We need more ticket sales to insure that this part of the program does not disappear.

After each meeting, club members place coins up for auction. We encourage our guests to stay for the auction. You do not need to be a member to bid on auction lots.

Rules:

- There is a 10-lot maximum (per member).
- You must be a member of the Pasadena coin club in order to put lots up for sale.
- There is no charge to members for entering lots.
- A \$1.00 minimum bid shall prevail.
- Lots shall be affixed to a 3"X 5" card with the following information:
Description and grade of the lot; Lot number; Minimum bid & Owners Name.
- Lots shall be listed on the proper form for such listing. (The treasurer or secretary will provide a copy for you.)

Is there an item you would like to find for your collection but have not found it yet or seen it in a club auction? Here is your chance to find out if another club member could help. The club is starting a wish list. This list will be published in the club newsletter and will be on line for everyone to check out. We hope this list will help make our auctions better. If you have need for the wish list, contact Joanne Carter.

**PASADENA COIN CLUB COINS
FOR A'S PROGRAM**

The club sponsors a program called "Pasadena Coin Club for A's." The intent is to reward the junior members with coins for each "A" they get on their report cards. This encourages and fosters further numismatic interest among the junior members. Donations to this program are always appreciated

America's Beautiful National Parks Quarter Dollar Coin Act of 2008

Beginning in 2010, the United States Mint will issue coins featuring national parks and other national sites with new quarter-dollars minted and issued in accordance with the "America's Beautiful National Parks Quarter Dollar Coin Act of 2008" (Act). Thanks to this innovative multi-year program, approximately every 10 weeks you will see a new design emblematic of a national site depicted on the reverse of the quarter. The sites selected for this series of quarters will come from each of 56 host jurisdictions comprising the 50 States, the District of Columbia and each U.S. territory (the Commonwealth of Puerto Rico, Guam, American Samoa, the U.S. Virgin Islands, and the Commonwealth of the Northern Mariana Islands). A portrait of George Washington will remain on the obverse of all of the quarters.

The Act, signed into law as Public Law 110-456 on December 23, 2008, requires that within 270 days of enactment (about Sept. 19, 2009), the Secretary of the Treasury must select the national park or national site to be honored with a coin in each of the 56 host jurisdictions. Under the provisions of the [site selection process](#), the Secretary will consult with the Secretary of the Interior and the governor or other chief executive of each host jurisdiction. After a site list has been approved, the law requires the United States Mint to design, mint and issue the new quarters in the order in which each site was first established as a national site.

The proposed [design selection](#) process and [site and design selection criteria](#) closely emulate the processes that the United States Mint successfully used to develop and select designs for the 50 State Quarters® and 2009 District of Columbia and U.S. Territories Quarters Programs.

Please check here regularly for updates on the "America's Beautiful National Parks Quarter Dollar Coin Act of 2008" coins as the site and design selection processes unfold this year.
