PASADENA COIN CLUB COINS FOR A'S PROGRAM

The club sponsors a program called "Pasadena Coin Club for A's program." The intent is to reward the junior members with coins for each "A" they get on their report cards. This encourages and fosters further numismatic interest amongst the junior member. Donations to this program are always appreciated.

RAFFLE TICKETS

Just a friendly reminder that when you sign in at meeting time, you can purchase raffle tickets for door prizes. The tickets are really inexpensive and there are some really good items to choose from. Red tickets are 2 for \$1 and Yellow tickets are 3 for \$1. Remember the proceeds from the ticket sales go toward buying more door prizes. We need more ticket sales to insure that this part of the program does not disappear

STATE QUARTER PROGRAM

Nebraska

The second commemorative quarter-dollar coin released in 2006 honors Nebraska, and is the 37th coin in the United States Mint's 50 State Quarters® Program. Nebraska, nicknamed the "Cornhusker State," was admitted into the Union on March 1, 1867, becoming our Nation's 37th state. Nebraska's quarter depicts an ox-drawn covered wagon carrying pioneers in the foreground and Chimney Rock, the natural wonder that rises from the valley of North Platte River, measuring 445 feet from base to tip. The sun is in full view behind the wagon. The coin also bears the inscriptions "Nebraska," "Chimney Rock" and "1867."

Chimney Rock was designated a National Historic Site on August 9, 1956, and is maintained and operated by the Nebraska State Historical Society.

Practically anywhere travelers go in Nebraska they will encounter reminders of America's westward expansion. The state is crisscrossed by the Oregon and Mormon Trails, the Pony Express, the Lewis and Clark Trail, the Texas-Ogallala Trail and the Sidney-Deadwood Trail.

The Nebraska State Quarter Design Committee accepted nearly 6,500 quarter design ideas from citizens. Four of these were forwarded to the United States Mint and were used as the basis for narrative designs that were created by United States Mint sculptor-engravers and artists in the United States Mint's Artistic Infusion Program. Nebraska Governor Dave Heineman announced his recommendation of "Chimney Rock" on June 1, 2005. The Department of the Treasury approved the design on July 20, 2005.

The three other design concepts considered during the final selection process were "The Capitol," featuring a rendition of the architecturally striking State Capitol in Lincoln; "The Sower," depicting the figure that stands atop the Nebraska Capitol, representing Nebraska's standing as an agricultural leader; and "Chief Standing Bear," paying tribute to the Ponca Indian Chief
